### Pottsville's Hypnotic Craze.

For the past week a hypnotist by the name of Flint has caused that usually slow town, Pottsville, to assume a state of excitement bordering on lunacy. Some time ago Hazleton was wild over the performance of a hypnotist, but the residents of the county seat have far exceeded the would-be capital of Quakertown. School children are affected, while their elders seek the theatre nightly to witness Flint's alleged powers. The craze has reached that stage that even the newspaper offices are brought under the magnetic power of Flint. The staff of the Journal office, where Major Finney has long held the power of magnetism hovering over the heads of the combatants of the Republican party, has also succumbed to the greater forces from the eye of Flint. Schumway and Zerkow are under the spell. The former has been drawn to the gold standard, while the latter has been led to believe, during his hypnotic sleep, that the Republican is actually a Republican paper. It is said Mr. Flint has made but one failure, and he has had before him hundreds of subjects during his stay at the county seat. He has not yet succeeded in convincing Major Finney that the war on his left arm was not received at the battle of Gettysburg. It is necessary, to thoroughly hypnotize a subject, to get his mind on one subject. This accounts for the Major proving a failure. When Flint would tell him to think of military deeds, he talked about Quakertown, when directed to political matters, he would dilate about court house deals in the Commissioners' office. As a hypnotic specialist, the Major can give Flint cards and spoons.

### Which Do You Prefer.

In a large majority of cases of diphtheria—whether among children or grown people—death is sure to follow. Absolutely stating the facts as they are, there is no reason under the sun for a single individual to die from diphtheria, croup, quincy, or any known throat affection. Thompson's Diphtheria Cure has never failed to cure every case where the directions for use were strictly carried out. Now do you prefer to die or have your friends die when 50 cents expended in time will save life? This is the exact fact in the case. Sold at Kirlin's drug store at fifty cents a bottle.

### Troublesome Groups.

Complaint is made that young men and boys make a practice of assembling at the corner of Main and Coal streets and at the vacant store room on the west side of Main street, just below Centre, and grossly insult women who pass those places.

### POTTSVILLE LETTER.

The Lyon-Dunn Contest Dragging Slowly Along.

POTTSVILLE, August 20.—The Lyon-Dunn judicial contest court continues in session. When court convened yesterday afternoon Messrs. John J. Toole, of Shomokin, and J. N. Brownmiller, appointed by the court to collect the various ballot boxes, presented a bill for their services, charging \$5.00 per day. The court naturally thought this was rather high, and suggested \$3.00 a day as a sufficient sum. Judge Ikeler stated that the newspapers charged the court with loading the county with expenses, and he desired it understood that the court would, in all cases where it had control, be very careful in the matter of expense. The bills thus far were then approved. The hours were mainly spent in legal discussion and the examination of a few witnesses as to what they did with papers but nothing material was developed. The ballot check was removed from the box of the First ward of Ashland and taken to the Prothonotary's office for examination. Mr. Berger read a list of about 60 names, mainly foreign, whose owners, the contestants claim, are illegal by reason of non-registration.

The following deeds were recorded today: From administrator of Edmund Samuel to Elizabeth White, lot in Ashland, from Nathan G. Rex et al. to Edwin Rex, premises in West Penn township; from Andrew Frank et al. to Martha E. Iffert, premises in Rush township.

George Francis Eddy, of Lewistown, and Ellen Louisa Fetter, of Edin township, were granted a marriage license. The following commitments were made: Martin Connell, of East Butler township, was sent to jail by Squire Kenney, in default of \$200 bail, on oath of Mrs. Connell charged with assault and battery and surety of the peace; Squire Daily committed John Miller, of Kline township, in default of \$500 bail, on oath of Mrs. Peter Tomatis, charged with larceny of a cow and offering to dispose of same.

Doll Gressing and Owen Bearstler, two of Pottsville's prominent cycle men, spent last evening at Mahanoy City.

James Green and Will. Short, of Pottsville, visited friends in Park Place last evening.

Miss Hattie Selp, of Allentown, returned home this morning, after having spent a few weeks with her sister, Mrs. Hoffman, of Morea.

A large party of Morea ladies attended a picnic at Tumbling Run today.

### School Notice.

The public schools of Shenandoah will open Monday, August 24th. Teachers will please meet in the High school room on Saturday morning, at 10 o'clock, August 23d, to receive keys, registers, notices, and other general information, preliminary to opening the schools. After that at 8:15 a. m. and at 4 p. m. of each school day until further notice.

### Delegates Elected.

At a regular meeting of the cadets and adult temperance societies of Lost Creek, delegates to the State C. T. A. U. convention to be held at Shamokin were elected. Andrew O'Boyle will represent the adults and Phil Deane will represent the cadets. The convention will assemble on September 9th and remain in session till the 11th. At a regular meeting of the C. T. A. U. held at Mahanoy Plane, Con Foley and W. J. Reynolds, of the adults, and W. J. Munley and Thomas O'Connor, of the cadets, to represent them at the state convention at Shamokin.

The Ammuntion T. A. B. Society, of town, has selected William Welsh and Carl Coogan, as delegates, while the Cadets will be represented by William Brown and Thomas Conville at the Shamokin convention.

### Centralia's School Board.

The members of the Centralia School Board, elected at the last election, failing to organize because of a deadlock, were ousted from office by the court and a new Board appointed. The latter, after several futile attempts, finally elected teachers on Tuesday night. J. H. Eisenhower was re-elected superintendent, and the following elected members of the corps: Miss Lizzie Morn, Miss Margaret Foy, Miss Mary A. Walsh, Miss Mary Langan, Miss Bridget Laughlin, Miss Laura Davis and John Riley. Miss Langan and Miss Laughlin are new teachers, succeeding Miss Harriet Cook and Miss Mary Colahan. The term begins Monday, August 31st.

See the window display of new silverware at Brumm's jewelry store.

### Pottsville's Public Building.

There will be no actual work commenced upon the new public building for Pottsville this year, but it is believed that the structure will be erected next year. The deed for the purchase of the site has been executed and the title is now in the hands of the U. S. Attorney General for his approval when it will be recorded. Hon. James B. Reilly, who had the bill passed by Congress, says that nothing farther will be done this year than to advertise for proposals for the erection of the new structure.

### Bonds Approved.

The County Commissioners have approved the bonds of the following tax collectors for the year 1906: Thomas Horna, of Girardville; Frank Warmby, North Union township; J. F. Price, Frackville; John F. Schoener, Mahanoy City; Llewellyn Bannan, Delano.

### Threatened With Boycott.

Mahanoy City fish merchants have threatened to boycott the Lehigh Valley Railroad unless it discontinues the practice of allowing foreign fish merchants to sell their cheap food from cars.

### Ocean Grove Camp Meeting.

A special excursion train for Ocean Grove will be run by the Philadelphia & Reading R. R. Tuesday, Aug. 25th, leaving Shenandoah at 9:05 a. m. Tickets \$4.00 good only on special train going and for return on any train up to and including Sept. 1st.

### The Populists on the Decline.

David H. Stitzer, of Kansas, who was formerly dispatcher for the P. & R. R. Co. at Gordon but left for the land of Populists in 1879, has been in the county for the past week, visiting relatives for the first time since he left. He is a prosperous farmer and says the Populist fever is not as strong in Kansas as it was a few years ago.

### Americans Given Preference.

The mine officials in and about Shamokin are issuing orders that Americans are to be given the preference over foreigners as to work, and in consequence the latter are leaving that neighborhood. It is estimated, says a dispatch, that fully 1,000 foreigners will have taken their departure by October 1st.

#### Senator Coyle Is Mad.

From Coyle's Daily American. It is refreshing to see that journalism is ascending the scale of honor and decency at the county seat. W. K. Cole, a veteran newspaper man, has taken hold of the editorial reins of the Miners' Journal. If its local contemporaries would only place on duty men of ability and pronounced integrity there might be a gleam of hope for securing just criticism and fair comment upon current events. But this is too much to expect from such Ichabods as Zerkow and Schumway.

The work on the new Welsh Congregational church, at Shamokin, is progressing rapidly, and when completed the edifice will cost nearly \$10,000. It will be dedicated early in October.

John Boyle, of Hazleton, fell through the trellising of the P. & R. company's Cameron colliery at Shamokin and laid there for 14 hours with a shoulder blade broken before he was discovered.

Howard Fenstermacher, 28 years old, had his right arm chopped off at the elbow in the Tamaqua hat factory Tuesday. In some unaccountable way he got in a machine containing nine razor-like knives making 3,500 revolutions a minute.

#### He Feigned Suicide.

Edward Haley, a desperate character, was arrested in Shamokin and while in the 'Squire's office caused much excitement by taking a pill and remarking that he would commit suicide. While on the way to jail he laughed and joked about how he faked the officers by his suicide guise. For this he got six months in the Sunbury jail.

#### Steady Time at Centralia.

Centralia colliery worked every day last week, with the exception of Saturday, and then it knocked off at noon on account of it being pay day. It is the only colliery in the region that is working full time, ten hours a day, and this promises to be the rule for some time to come, as the Logan colliery allotment has been added to Centralia colliery.
